EDUCATION

Sept 2017 – Jun 2021, Computer Science & Technology, School of Computer Science & Technology
Beijing Institute of Technology, China, GPA: 3.72/4.0

HONORS/AWARDS

- 2019 Outstanding Students of Beijing Institute of Technology
- The ACM-ICPC Asia Regional Contest Shenyang Site 2018 **Gold Medal**
- 2019 China Collegiate Programming Contest, Xiamen Site **Sliver Medal**

RESEARCH EXPERIENCE

Aircraft Remote Sensing Image Recognition   Sep 2019-present
Advisor: Prof. Lei Zhang, Beijing Institute of Technology

- Aim to recognize the type and other properties of aircraft from a series of aircraft remote sensing image.
- I was responsible for generating images containing different aircraft from different views above different ground. The images were treated as training data for deep learning.

SKILLS/OTHERS

Computer Skills: C++, OpenGL, OpenCV
Interests: Game Design; Psychology; Video Producing; Animation Producing
